SECTION 2—THE BRINKLEY RV ONE (1) YEAR LIMITED BASE WARRANTY

Brinkley RV provides you with two types of Limited Warranties with the purchase of your recreational vehicle (the “RV”) (see [Section 4](#) for Component Manufacture additional warranties). These Limited Warranties outline what Brinkley RV will cover and what we will do if a defect exists. Please read these documents closely before you purchase the RV so that you understand your warranty protections. The two Limited Warranties that Brinkley RV provides are as follows:

- (1) A One (1) Year Limited Base Warranty; and
- (2) A Three (3) Year Limited Structural Warranty.

These two warranties are contained within [Sections 2](#) and [Section 3](#) immediately below.

2.1—What Does This Limited Warranty Cover?

Brinkley RV, LLC (“Brinkley RV”) provides a One (1) Year (“Warranty Period”) Limited Base Warranty against certain defects in materials and/or workmanship for the RV that may arise from normal use and service to the Retail Consumer Owner (“Owner”) throughout the duration of the Warranty Period for the RV. This Warranty only covers material components and parts of the RV manufactured and made by Brinkley RV and the labor provided directly by Brinkley RV. It does not cover parts that are not made or manufactured by Brinkley RV. In addition to the foregoing and the other limitations and restrictions outlined in this document, this Limited Base Warranty only covers an RV sold by an Authorized Brinkley RV Dealer to the original retail Owner or its assigned/transferred retail Owner.

NOTE: YOUR WARRANTY REGISTRATION MUST BE COMPLETED WITHIN THE DESIGNATED REGISTRATION TIME FRAME TO BE ELIGIBLE FOR ALL PROVIDED WARRANTIES. TRANSFER OF THIS WARRANTY CAN ONLY OCCUR WHEN THE REGISTRATION INFORMATION IS UPDATED AND WILL REMAIN LIMITED TO THE WARRANTY PERIOD PROVIDED TO THE ORIGINAL OWNER AND TO THE PRIMARY ONE (1) YEAR LIMITED WARRANTY.

The Warranty Period starts immediately upon purchase.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY FOR ALL DEFECTS OF MATERIAL AND WORKMANSHIP. THIS WARRANTY IS IN LIEU OF ANY AND ALL OTHER EXPRESSED OR IMPLIED WARRANTIES. THERE ARE NO OTHER EXPRESSED OR IMPLIED WARRANTIES BEYOND THOSE SET FORTH HEREIN. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. IN ADDITION TO THE EXCLUSIONS SET FORTH IN THIS LIMITED WARRANTY, THIS WARRANTY DOES NOT APPLY TO DAMAGE DUE TO NEGLIGENT, USE, MISUSE, ABUSE, OR ACCIDENT INVOLVING ANY PART AND/OR ALL OF THE RV, OR THE REPAIR/ALTERATION OF SUCH RV. ANY REPAIR OR ALTERATION TO

RUBBER ROOF MEMBRANE

1. **Warranty.** This Limited Warranty from Alpha Systems LLC (“Alpha”) applies solely to the original retail purchaser of a finished product (“Product”) that includes a roof membrane supplied by Alpha (the “Alpha Roof Membrane”). Alpha warrants to the original retail purchaser (the “Purchaser”) that for a period of twenty (20) years from the original purchase date of the Product, the Alpha Roof Membrane shall be free from defects in materials that cause the Alpha Roof Membrane to degrade, deteriorate, or dry rot. This Limited Warranty is non-transferable. The Limited Warranty is a performance-based warranty and does not cover the appearance of the Alpha Roof Membrane. Alpha is a supplier to the RV Industry and does not install the roof membrane.

2. **Coverages.** This Limited Warranty constitutes the exclusive remedy against Alpha for all defects of the Alpha Roof Membrane. The exclusive remedies available to Purchaser shall be at Alpha's sole and absolute discretion, to provide either: (i) material for the replacement of the defective portion of the Alpha Roof Membrane; or (ii) a credit to Purchaser toward the purchase of a new Alpha Roof Membrane equal to the estimated material cost to repair the defective Alpha Roof Membrane.

For twenty (20) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of the cost of materials on an approved claim. Alpha Systems does not install the Roof Membrane and is not responsible for any problems relating directly or indirectly from the installation of the Roof Membrane.

With respect to the cost of labor, for the first two (2) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of labor costs on an approved claim. Alpha must approve the application to be used and Alpha Systems will pay a maximum rate of .8 hours per lineal foot of coach. Alpha will not pay for any removal or installation of any non-Alpha accessories including all underlayment's, vents, skylights, antenna, etc. Costs will be reduced on a pro rata basis beginning with the third year and continuing until five years from the date of purchase. For any approved claim made during Year 3, this Limited Warranty will cover sixty percent (60%) of the cost of labor. After Year 3, there shall be a pro rata reduction of this Limited Warranty's coverage for the cost of labor as follows: Coverage for Year 4 - 40%; Year 5 - 20%. Any claim made after five years from the date of purchase shall not include the cost of labor.

3. **Purchaser's Obligations.** Purchaser is responsible for inspecting the Alpha Roof Membrane at the time of delivery. Purchaser may also email Alpha Systems at **BRINKLEY CUSTOMER CARE** / phone: (888) 502-3460 or (574) 501-4280 / email: CustomerCare@BrinkleyRV.com / **SAFERIDE 24/7 Emergency Roadside Assistance** / (888) 482-5715 (24/7 Roadside Assistance) / (855) 963-1770 Customer Service

warranty@alphallc.us . Purchaser must notify Alpha of any problems believed to require warranty service. Upon receipt of such notice, an Alpha representative will investigate the claim with the supplied information and/or request to have the unit brought to Alpha or one of its representatives within a reasonable time after receiving Purchaser's written notice. Alpha will arrange for repair or replacement of the defective part(s) of the Alpha Roof Membrane pursuant to the terms of this Limited Warranty. A copy of the shipping document must be submitted with the claims to ensure proper payment of shipping fees assessed to Dream Lighting. If the cost of the shipping fee is less than \$20.00 USD, no documentation is required. If a claim is submitted with shipping fees beyond \$20.00 with no documentation, and documentation is requested and not submitted, Dream Lighting retains the right to reduce the shipping fee to \$20.00 for that claim.

Should Dream Lighting require the product to be returned, for example if there are 5 or more lights within a single unit, that are being processed as warranty, we agree to provide a call tag to retrieve the lighting. We would require box size, and weight as well as the address we are sending a call tag. Claims will not be approved until the product is returned and tested. If a product proves to be within working order, we will send a denial of the claim to the claimant and return working lights to OEM department specified on the claim.

Dream lighting reserves the right to deny any claim if insufficient evidence has not been provided in the initial claim, or request for additional information or photos is not provided. Clear evidence that it is a dream lighting light must be provided in order to receive for credit.

Any disagreement, dispute, controversy, or claim arising out of or relating to this Warranty must be submitted to binding arbitration in accordance with the Rules of the American Arbitration Association. The current warranties and terms outlined on the Warrantor's website (www.lci1.com) applicable on the date of purchase take precedence over any other warranties, whether oral or written. We reserve the right to alter our warranties from time to time, as the laws and our business needs and industry change. Any conditions or exceptions that may be stated in any communication or document to us from any entity or individual, including but not limited to the retail purchaser or consumer, shall be of no effect unless specifically agreed to in writing and hand- signed by our authorized representative.

PHILIPS LIMITED WARRANTY

TV

Philips products are designed and manufactured to the highest standards and deliver high-quality performance, ease of use and ease of installation. If you encounter any difficulties while using your product, we recommend that you first consult the user manual or the information in the support section of this website, where (depending on the product type) you may find a downloadable user manual, frequently asked questions, instruction videos or a support forum.

In the unlikely event of a failure of the product, Philips will arrange for your Philips product to be serviced, free-of-charge when you inform us of the defect within the warranty period, provided that the product was used in accordance with the user manual (e.g. in the intended environment). For some product categories a partner company of Philips is the warrantor of the product; please check the documentation supplied with your product.

If you offer your product for service in the USA, but you purchased the product abroad, Philips will endeavor to have your product serviced against the warranty terms of the country where you purchased the product.

This warranty policy only applies to consumer products. For professional products the warranty terms of the sale- or purchase agreement applies.

The warranty period in the USA for the TV is 12 months.

WARRANTY TERMS AND CONDITIONS:

The warranty period starts on the date of purchase as stated on your proof-of-purchase and expires at the end of the period indicated in the section “Warranty period” above. If you require service but you lost your proof-of-purchase or the retailer is unknown to Philips (e.g., a seller on an on-line auction channel), the warranty period shall be deemed to have started three months from the date of manufacture indicated on the product or derived from the serial number. If you require service for products without a production date or serial number on the product a valid proof-of-purchase is required.

Where a repair is not possible or not commercially viable, Philips may arrange for a new or refurbished product of similar functionality, or do a refund up to full purchase price of the product plus tax (subject to terms and conditions). After a repair, firmware upgrade or replacement the warranty period will continue from the date of the original purchase.

WHAT IS EXCLUDED:

The warranty does not cover consequential damages (including but not limited to loss of data or loss of income), nor compensation for activities done by yourself, such as regular maintenance, installing firmware updates or saving or restoring data.

The warranty excludes, or does not apply:

- If the proof-of-purchase has been altered in any way or is made illegible.
- If the model number, serial number or production date code on the product has been altered, removed or made illegible.

- If the defect is caused by connecting peripherals, additional equipment or accessories other than those recommended in the user manual.
- If the unit has been damaged, including but not limited to damage by animals, lightning, abnormal voltage, fire, natural disaster, transportation or water (unless the user manual expressly states that the product may be rinsed).
- For normal wear and tear defects, or by their nature consumable parts (e.g., vacuum cleaner bags, or filter cartridges).
- If the product does not function properly because it was not originally designed, manufactured or approved for use in the country where you use the product, which might occur when you imported the product.
- If the product does not function properly due to problems with access to, or connection with service providers, such as interruptions in the access networks (e.g. TV cable, satellite or internet), faults on the subscriber's or the correspondent's line, local network fault (cabling, file server, user's line) and faults in the transmission network (interference, scrambling, faults or poor network quality).

To third party applications used on- or with your products.

3. Exclusions and Limitations for Batteries

Without the involvement of the Warrantor in the system design and the express written authorization from the Warrantor, the battery is not intended for use as the primary or backup power source for life support systems or other medical equipment, or any use where battery failure could lead to injury to or loss of life or catastrophic property damage. Use in this manner is at Purchaser’s own risk. To the extent permitted by law, Warrantor disclaims any and all liability arising out of any such use. Further, Warrantor reserves the right to refuse to service any battery used for these purposes and disclaims any and all liability arising out of Warrantor’s refusal to service.

The warranty does not cover failures and damages that result from normal wear and tear, improper installation, operation, and storage, insufficient ventilation, inadequate maintenance, incorrect handling and transportation, unauthorized repair, modifications, conversions and additions, intentional or accidental misuse, abuse, and neglect, contamination with hazardous substances, radiation, and water (unless stated otherwise by the Warrantor to be waterproof), unusual electrical stress including power surges, uncontrolled voltages and currents, excessive or deficient energy supply, system harmonics, and lighting, exposure to extreme hot or cold temperatures, and force majeure including fires, floods, earthquakes, hurricanes, severe weather, wars, and acts of terrorism.

For further clarity, the warranty is void in the following cases.

- The battery operates outside the temperature range as set forth in the user manual and/or datasheet.
- The battery bank is configured with mixed makes and/or models, incorrect series and/or parallel connections, or inappropriate cable size and/or length.
- The battery terminals are not tightened to the specification as set forth in the user manual and/or datasheet.
- The battery is charged with charging algorithms and/or charger settings that do not comply with the requirements as set forth in the user manual and/or datasheet.
- The battery is not properly protected from inrush currents with circuit breakers, fuses, and/or disconnects.
- The battery is directly connected to DC motors without appropriate safety protection, motor controllers, and motor voltage clamping systems.
- The battery is left unattended for extended periods of time after depletion.
- The battery is not maintained or stored in accordance with the requirements as set forth in the user manual and/or datasheet.
- The battery is subjected to excess vibration due to inadequate mounting.
- The communication ports on the battery (if applicable) are damaged or altered.
- The communication ports on the battery (if applicable) are not connected in accordance with the instructions as set forth in the user manual.
- The battery is disassembled, altered, or repaired without express written authorization from the Warrantor.

In order to provide the warranty, Warrantor may require the ability to upgrade the battery firmware or provide data logged information. Any failure to install firmware upgrades when provided or to provide data logged information upon request will void the warranty.

If the Warrantor determines that the problem with the product(s) is not due to a manufacturing defect in the Warrantor's workmanship or materials, or otherwise does not qualify for warranty repair, then the Purchaser will be responsible for all costs incurred by the Warrantor necessary to repair, replace and transport the product(s). The Warrantor will not be responsible for expenses related to installation/removal, electrical system tests, loss of time or other expenses considered incidental damage.

4. General Conditions for Warranty Claims

For Workmanship and Material Warranty: If the Purchaser experiences any defects in materials and workmanship under normal application, such as defects and/or failures due to manufacturing or due to materials, it is their responsibility to contact the Warrantor's technical support team. The technicians will offer steps and procedures to test the product(s), repair the product(s) or require the Purchaser to ship the product(s) to the technical support team if needed. Based on the outcome, the warranty service will then be in effect.

This warranty extends only to the original Purchaser. If gifted or resold the customer must go through the original Purchaser in order to claim warranty. Original order information is needed to claim warranty. If original order was shipped within the US, the Purchaser will be responsible for additional shipping costs out of the US. The Customer's sole and exclusive remedy and the entire liability of the Warrantor, its suppliers and affiliates for breach of the warranty is, either to replace the product(s) or component parts of the product(s) and in some cases refund the product(s) cost. This warranty does not cover labor. Products that have been serviced or replaced under their warranty period do not receive extended warranties. Instead, the serviced/replaced product(s) will abide to the original warranty period issued when first purchased. No employee, agent, dealer or any other person is authorized to give any warranties on behalf of the Warrantor, not expressly set forth in this limited warranty.

5. Exclusions and Limitations

The warranty does not cover failures and damages that result from normal wear and tear, improper installation, operation, and storage, insufficient ventilation, inadequate maintenance, incorrect handling and transportation, unauthorized repair, modifications, conversions and additions, intentional or accidental misuse, abuse, and neglect, contamination with hazardous substances, radiation, and water (unless stated otherwise by the Warrantor to be waterproof), unusual electrical stress including power surges, uncontrolled voltages and currents, excessive or deficient energy supply, system harmonics, and lighting, exposure to extreme hot or cold temperatures, and force majeure including fires, floods, earthquakes, hurricanes, severe weather, wars, and acts of terrorism. If the Warrantor determines that the problem with the product(s) is not due to a manufacturing defect in the Warrantor's workmanship or materials, or otherwise does not qualify for warranty repair, then the Purchaser will be responsible for all costs incurred by the Warrantor necessary to repair, replace and transport the product(s). The Warrantor will not be responsible for expenses related to installation/removal, electrical system tests, loss of time or other expenses considered incidental damages.

The warranty shall be asserted with the Warrantor in writing enclosing a copy of the invoice and a description of the defect/loss of performance within the warranty period. The Warrantor shall accept no returns of product(s) without the previous written request for this. The Warrantor will provide the Purchaser with an RMA number and the location to which the Purchaser must return the defective product(s) in an efficient time manner. Any product(s) returned for valid warranty service shall be shipped at the expense and risk of the Warrantor. The Purchaser must return the product(s) (or, if authorized by the Warrantor, the defective component parts), within **fifteen (15) days after issuance of the RMA number**. The Warrantor will be under no obligation to accept any returned product(s) that does not have a valid RMA number. All parts that the Warrantor replaces shall become the Warrantor's property on the date the Warrantor ships the repaired product(s) or part back to the Purchaser. The Warrantor will use all reasonable efforts within thirty (30) days of receipt of the defective product(s) to repair or replace such product(s). If a warranty claim is invalid for any reason, the Purchaser will be charged at the Warrantor's then-current rates for services performed and will be charged for all necessary repairs and expenses incurred by the Warrantor. If the Warrantor determines that a warranty claim is valid, it will ship the repaired or replaced product(s) to the Purchaser at the Warrantor's cost.

RENOGY MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOMER OR USAGE OF TRADE.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so these limitations may not apply to you. Neither Renogy nor its affiliates or suppliers will be held liable or responsible for any damage or loss to any items or products connected to, powered by or otherwise attached to the Product. Specific Rights: This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so that limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so that limitation or exclusion may not apply to you.

Exclusions: This Warranty only covers the Products. Due to the intended use of our Products, any and all items and components not sold by us but attached to, incorporated into, or using our Products carry NO WARRANTY WHATSOEVER from us regardless of circumstance. We will not be liable for any defects, whether due to workmanship, materials or any other reason whatsoever, for those items and components not sold by us. This Warranty also does not cover customer instruction, installation and labor (except as provided herein), parts supplied by others, abuse, misuse, neglect, improper installation or improper repair by anyone other than us, improper usage, overloading, accidents, unreasonable use, improper loading, improper operation, improper repair, improper maintenance, normal wear and tear, color fade, mold, mildew, corrosion, rust formation, modifications, or attempted repair by anyone other than a qualified repair facility. Your failure to comply with this paragraph will constitute a waiver and release of all rights under this Warranty.

Statute of Limitations: Any action, lawsuit, or other proceeding, under this Warranty or otherwise, related to the Product must be commenced within one (1) year after the earlier of (a) the expiration of the Warranty coverage period, (b) our alleged failure to repair the defect at issue; or (c) the date on which your claim accrues under applicable law. Unless prohibited by law, the performance of repairs will not prevent the limitations period from expiring, nor will any tolling or estoppel doctrine apply. This Warranty does not extend to future performance. Some states do not allow a reduction in the statute of limitations, so that reduction may not apply to you.

Applicable Law & Venue: This Warranty will be governed by and construed in accordance with the laws of the State of Ohio without regard to principles of conflicts of law. To the full extent permitted by law, any disagreement, dispute, controversy, or claim arising out of or relating to this Warranty or Product must be brought, if at all, only in a state court in Columbus, Ohio, or a federal court in the Southern District of Ohio, having jurisdiction over the subject matter. You irrevocably consent that such court will have personal jurisdiction over you and waive any objection that the court is an inconvenient forum. YOU WAIVE ANY RIGHT TO A JURY TRIAL AND CLASS ACTION RELATING TO THIS WARRANTY, AND MAY NOT JOIN OR CONSOLIDATE CLAIMS AS A REPRESENTATIVE OF A CLASS ACTION OR IN A PRIVATE ATTORNEY.

GENERAL CAPACITY: In the event you bring any claim against us in violation of this Warranty or for claims waived or released under this Warranty, you agree to pay our attorney and paralegal fees and costs to defend such suit. Modifications. We will not be liable for commitments, promises, or agreements made by any employee, agent, or dealer that is not in accordance with this Warranty. The current WARRANTIES and terms outlined on the Warrantor's website applicable on the date of purchase take precedence over any other WARRANTIES, whether oral or written. We reserve the right to alter our WARRANTIES from time to time, as the laws and our business needs and industry change. Any conditions or exceptions that may be stated in any communication or document to us from any entity or individual, including but not limited to you, shall be of no effect unless specifically agreed to in writing and hand-signed by our authorized representative.

Miscellaneous: Any legally or otherwise invalid provision hereof will be considered severable, with all remaining provisions enforceable. We have all rights and remedies given to sellers by applicable law, and our rights and remedies are cumulative and may be exercised from time to time. No waiver by us of any provision of this Warranty will be elective unless in writing, nor will it operate as a novation or waiver of any other provision or affect our right to exercise thereafter any right or remedy. We will not lose any rights because we have not exercised that right in the past.

Fibrosan® GRP Inc. a division of the Yücel Group is the manufacturer of FRP Panels sold by Vixen Composites, an authorized agent, and offers a two-year warranty on the FRP Panel to the original purchaser if correctly laminated and maintained subject to the conditions below. All aspects of this warranty will be administered by Vixen Composites, Inc.

Fibrosan® warrants to the original owner and subject to the conditions mentioned below, that this product will remain free of exposed fibers and will not rust, rot, corrode, or require painting or refinishing (with the exception of normal pigmentation change caused by UV or sunlight degradation) for a period of two years from the original date of retail purchase or three years from the date of panel manufacture or 20,000 miles if motorized. Fibrosan® liability is limited to reasonable labor and parts for replacement of the product, repair of the product or the replacement of the product with reconditioned product at the discretion of Fibrosan® or its authorized agents. For the purposes of this warranty, parts are defined strictly as either the materials necessary to repair the panel finish or, in case of replacement the actual product itself. Vehicles purchased specifically for rental or lease will be covered for one-year from the date of first retail sale or 10,000 miles.

USE WITHIN THESE GUIDELINES TO BE WARRANTABLE

Fibrosan® recommends that the moisture content of lauan substrate be not greater than 12% at the time of lamination and that the glue coverage between the Fibrosan® panel and substrate be 100% coverage at the weight and thickness recommended by the adhesive manufacturer. Prior to the lamination the FRP panel must be free of dust moisture or particulates prior to lamination. Fibrosan® will not be responsible for any loss resulting from sub-standard lamination processes.

Fibrosan® limits the use of substrates to lauan plywood and approved synthetic alternatives. The use of any substrates not approved by Fibrosan® will void this warranty.

This warranty is void if the product has been damaged by accident, unreasonable use, neglect, tampering or other causes not rising from defects in materials and workmanship.

This warranty extends to the original owner but does not cover the following:

- a. Damage to the panel caused by vandalism, accident, or misuse, including direct impact to the panel or scoring or the panel which impairs the surface integrity.
- b. Premature discoloration or fiber exposure caused by the lack of care and maintenance recommended by Fibrosan®.

- i. Delamination between FRP Panel and substrate.
- j. Non-original recreation vehicle manufacturer installed parts.
- k. Surface blistering caused by water intrusion through the backside of the panel.
- l. Ant-trailing or worming caused by voids or gaps in lamination/ glue application or process.

- o. Fibrosan® and Vixen Composites™ do not assume responsibility for any loss of use of vehicle, loss of time, inconvenience, expense of gasoline, telephone, travel, lodging, loss or damage of personal property or revenues. VOMELA COMPANIES LIMITED WARRANTY

DECALS

This letter is in response to your request for a written warranty statement from Vomela. Since we are a converter of 3M products, the strength of the warranty we can offer must be backed by the manufacturer of the raw material. 3M's warranty statement for the RV market is attached.

In practice, we have had tremendous support from 3M on warranty-related issues. However, 3M will only handle cases on an individual basis and when they have been given the opportunity to ascertain that the failure is truly a raw material failure. A true raw material failure will not be exhibited just on individual decals but will likely affect all film made in a certain product run. If there are multiple colors involved in a problem, most often there is an issue with substrate or application, since the films would come from different lots made in different time frames.

Vomela's warranty is part of our standard terms and conditions and stated as follows:

Seller relies on the warranty of its suppliers and manufacturers of material used in its printing and production processes (the "Materials Warranties"). The Materials Warranties generally provide that the materials are free of defect at the time of shipment from the manufacturer. Seller shall pass through any and all available Materials Warranties from the manufacturer and shall not perform or fail to perform any act that would impair or void such Materials Warranties. Seller warrants that the products it produces are new, of merchantable quality and free from defects in workmanship under normal use for the shorter of a one-year period from the time of manufacture or the period warranted by the manufacturer of the materials used in the product (the "Manufacture Warranty"). The Manufacture Warranty shall only be applicable if Seller is given prompt written notice specifying the nature of the warranty claim within the applicable warranty term. Each product for which a Manufacture Warranty claim is asserted must be returned by the customer, postage prepaid, to Seller at the following address: Vomela Specialty Company, 274 East Fillmore Avenue, St. Paul, MN 55107. Upon confirmation by Seller of a Manufacture Warranty breach, the exclusive remedy to Buyer shall be for Seller, at its option, to replace the defective product or issue credit to Buyer for the defective product. If credit is issued, it shall not exceed the full purchase price paid by Buyer to Seller for the product. The Manufacture Warranty does not extend to any product subjected to misuse, accident, or alteration. Seller shall pay shipping charges for the return of replaced defective products covered by the Manufacture Warranty. Replaced products shall be warranted for an additional 30 days or for the duration of the original warranty term, whichever is longer. Procedures relating to assertion of a claim under a Materials Warranty shall be as specified by the suppliers and manufacturers of those materials.

OTHER THAN A PASS-THROUGH OF THE MATERIALS WARRANTIES, THE MANUFACTURE WARRANTY IS THE ONLY WARRANTY SELLER MAKES FOR ITS PRODUCTS. EXCEPT AS INDICATED ABOVE, THE SELLER MAKES NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

No person (including any product agent, dealer, or representative of Seller) is authorized to make any representation or warranty on behalf of Seller concerning the products except to refer purchasers to this warranty.

Seller shall under no circumstances be liable for special, incidental, consequential, or exemplary damages of any nature whatsoever, however occasioned (whether by negligence or otherwise), including, but not limited to, commercial loss from any cause, business interruption of any nature or loss of profits, even if Seller shall have been advised of the possibility of such damages.

As a fabricator of 3M's product, defects in our workmanship would be evident at the time of application when replacement of material would likely be an acceptable solution. Problems in the field would more often be raw material or application problems, so we would look to 3M for resolution of justified complaints.

If you have any additional questions after reviewing this, please feel free to give your Vomela representative a call.
