SECTION 2—THE BRINKLEY RV ONE (1) YEAR LIMITED BASE WARRANTY

Brinkley RV provides you with two types of Limited Warranties with the purchase of your recreational vehicle (the “RV”) (see Section 4 for Component Manufacturer additional warranties). These Limited Warranties outline what Brinkley RV will cover and what we will do if a defect exists. Please read these documents closely before you purchase the RV so that you understand your warranty protections. The two (2) Limited Warranties that Brinkley RV provides are as follows:

- (1) A One (1) Year Limited Base Warranty; and
- (2) A Three (3) Year Limited Structural and Seals Warranty.

These two (2) warranties are contained within Sections 2 and Section 3 immediately below.

2.1—What Does this Limited Warranty Cover?

Brinkley RV, LLC (“Brinkley RV”) provides a One (1) Year (“Warranty Period”) Limited Base Warranty against certain defects in materials and/or workmanship for the RV that may arise from normal use and service to the Retail Consumer Owner (“Owner”) throughout the duration of the Warranty Period for the RV. The Warranty Period starts immediately upon purchase.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY FOR ALL DEFECTS OF MATERIAL AND WORKMANSHIP. THIS WARRANTY IS IN LIEU OF ANY AND ALL OTHER EXPRESSED OR IMPLIED WARRANTIES. THERE ARE NO OTHER EXPRESSED OR IMPLIED WARRANTIES BEYOND THOSE SET FORTH HEREIN. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. IN ADDITION TO THE EXCLUSIONS SET FORTH IN THIS LIMITED WARRANTY, THIS WARRANTY DOES NOT APPLY TO DAMAGE DUE TO NEGLIGENT, USE, MISUSE, ABUSE, OR ACCIDENT INVOLVING ANY PART AND/OR ALL OF THE RV, OR THE REPAIR/ALTERATION OF SUCH RV. These warranties will become activated once the RV is registered. To receive direct notification and communication from the component manufacturer, it is recommended for the individual component registrations be completed and returned to the component manufacturer. ALPHA ROOFING MEMBRANE LIMITED WARRANTY

ALPHA SYSTEMS MEMBRANE LIMITED TWENTY-YEAR WARRANTY

RUBBER ROOF MEMBRANE

- 1. Warranty.** This Limited Warranty from Alpha Systems LLC (“Alpha”) applies solely to the original retail purchaser of a finished product (“Product”) that includes a roof membrane supplied by Alpha (the “Alpha Roof Membrane”). Alpha warrants to the original retail purchaser (the “Purchaser”) that for a period of twenty (20) years from the original purchase date of the Product, the Alpha Roof Membrane shall be free from defects in materials that cause the Alpha Roof Membrane to degrade, deteriorate, or dry rot. This Limited Warranty is non-transferable. The Limited Warranty is a performance-based warranty and does not cover the appearance of the Alpha Roof Membrane. Alpha is a supplier to the RV Industry and does not install the roof membrane.
- 2. Coverages.** This Limited Warranty constitutes the exclusive remedy against Alpha for all defects of the Alpha Roof Membrane. The exclusive remedies available to Purchaser shall be at Alpha’s sole and absolute discretion, to provide either: (i) material for the replacement of the defective portion of the Alpha Roof Membrane; or (ii) a credit to Purchaser toward the purchase of a new Alpha Roof Membrane equal to the estimated material cost to repair the defective Alpha Roof Membrane.

For twenty (20) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of the cost of materials on an approved claim. Alpha Systems does not install the Roof Membrane and is not responsible for any problems relating directly or indirectly from the installation of the Roof Membrane.

With respect to the cost of labor, for the first two (2) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of labor costs on an approved claim. Alpha must approve the application to be used and Alpha Systems will pay a maximum rate of .8 hours per lineal foot of coach. Alpha will not pay for any removal or installation of any non-Alpha accessories including all underlayments, vents, skylights, antenna, etc. Costs will be reduced on a pro rata basis beginning with the third year and continuing until five years from the date of purchase. For any approved claim made during Year 3, this Limited Warranty will cover sixty percent (60%) of the cost of labor. After Year 3, there shall be a pro rata reduction of this Limited Warranty’s coverage for the cost of labor as follows: Coverage for Year 4- 40%; Year 5- 20%. Any claim made after five years from the date of purchase shall not include the cost of labor.

- 3. Purchaser’s Obligations.** Purchaser is responsible for inspecting the Alpha Roof Membrane at the time of delivery. The Purchaser is responsible for the normal maintenance and care of the Alpha Roof Membrane. The Purchaser should read and follow all care and maintenance instructions for the cleaning and maintenance of the Alpha Roof Membrane. Purchaser should conduct at least quarterly inspections of the Alpha Roof Membrane.
- 4. Claim Procedure.** Within thirty (30) days after discovering a purported defect in the Alpha Roof Membrane, the Purchaser must deliver written notice of the purported defect to Alpha Systems LLC, 5120 Beck Drive, Elkhart, Indiana 46516. Purchaser may also email Alpha Systems at warranty@alphallc.us. The notice from Purchaser must include a description of the defect, the name of the manufacturer, type of unit purchased, original date of purchase, Vehicle Identification Number (VIN), color photographs of the defect(s) in the Alpha Roof Membrane (including an overall view of the roof), and a copy of the original sales receipt. Failure to provide such notice to Alpha within (30) days after discovery of a purported defect will delay any warranty claim.
Purchaser must notify Alpha of any problems believed to require warranty service. Upon receipt of such notice, an Alpha representative will investigate the claim with the supplied information and/or request to have the unit brought to

Alpha or one of its representatives within a reasonable time after receiving Purchaser's written notice. Alpha will arrange for repair or replacement of the defective part(s) of the Alpha Roof Membrane pursuant to the terms of this Limited Warranty. Any roof work performed on the Alpha Roof Membrane prior to receiving Alpha's written authorization WILL VOID THIS LIMITED WARRANTY.

- 5. Exclusions from Warranty Coverage.** This warranty does not cover (a) adhesives, solvents, or butyl tapes used to install the Alpha Roof Membrane; (b) materials that are not components of the Alpha Roof Membrane such as caulking or other materials used for the installation of the Alpha Roof Membrane; and (c) care, cleaning, or general maintenance to the Alpha Roof Membrane.

Sealants and other roof-related items are not included in this limited Warranty. This warranty shall be void if any component in the Alpha Roof Membrane is not an Alpha product. Alpha shall not be responsible for the cleanliness, discoloration, chalking, or streaking caused by environmental conditions nor contamination by pollutants (oxidation) and presence of the same does not constitute a defect in or to the Alpha Roof Membrane.

This Limited Warranty excludes liability for defects in or damages to an Alpha Roof Membrane caused directly or indirectly by any of the following:

- i. Severe weather conditions such as acts of God, natural disasters, including but not limited to windstorms, gales, tornadoes, hurricanes, lightning, hail, snow or ice storms; floods, earthquakes, earth tremors.

- vi. Improper installation of the Alpha Roof Membrane including, but not limited to, poor adhesive coverage, poor sealing along the edges, stretching of the Alpha Roof Membrane, incorrect installation along the sidewalls, failure to protect the Alpha Roof Membrane from raw edges and sidewall edges, and improper installation of roof moldings or other roof components.
- vii. Exposure of the Alpha Roof Membrane to acids, solvents, fats, oils, grease, tree sap, hydrocarbons, petroleum products, and other materials which are generally recognized as corrosive to a single-ply roofing membrane.
- viii. Temperature, fire or extreme heat.

- xii. Damages as the result of terrorism.
- xiii. Any chalking or residual decomposition.
- xiv. Fading or other changes in color because of dirt, airborne pollutants, biological agents or other causes, including but not limited to natural fading.

Although Alpha's limited warranty is not voided if another manufacturer's sealant, adhesives, tapes or related products are used on the Alpha Roof Membrane, Alpha retains the right to deny liability for any defects or damages caused by another manufacturer's products. Alpha recommends that Purchasers and manufacturers use Alpha's sealants, adhesives, tapes, and other related products as Alpha is confident regarding the quality of its products.

DREAM LIGHTING LIMITED WARRANTY

DREAM LIGHT DECORATIVE LIGHT LIMITED WARRANTY

DECORATIVE LIGHTING

Dream Lighting products carry a limited warranty period of 12-months. Dream Lighting will honor this warranty on products that fail due to manufacturer's defects in materials and workmanship only. Dream Lighting warrants that the goods are free from manufacturing defects in material and workmanship under normal use and service for a 12-month warranty period from the date of purchase to the original end user. Warranties do not extend beyond the original end user and are not transferable. All Dream Lighting lights have a three-foot clearance requirement from combustibles. Examples of such combustibles are, but not limited to mattresses, bedding, or other like materials. Non maintenance of the required distance of three feet invalidates the warranty and warranty becomes null and void. This warranty does not apply to Dream Lighting products which have been improperly installed, subjected to abuse and or misuse. This warranty is also void in the instance of operating product outside the voltage and application requirements for which the specific product was intended. The Limited Warranty does not apply to damage associated with or caused by incompatible chemicals and/or cleaners. Dream Lighting reserves the right to test returned product and determine if the warranty claim is valid and is in fact a manufacturer's defect.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Guidelines For Warranty Processing:

These allowances are non-negotiable; any additional labor time/rates will not be paid. Shipping/ Freight fees shall not exceed the approved retail rate. In order to submit a warranty claim you will need to provide paperwork stating an accurate part number and an explanation of why you believe the part is defective as well as proof of original vehicle date of purchase. Pictures of the front of the light as well as the back of the light will also be needed to process a claim; the back of the light must have our label and/or our stamp on the back/bottom. If pictures are not presented, please attach paperwork with the return of the product. Photos must include the Dream lighting identifiable markings; if the product is unidentifiable the claim will be denied. Photos of claimed light must match the part being claimed on the submission form. Claims submitted without a part number will be denied as well. If the product presents a manufacturer defect we will then issue a replacement part or credit memo within 30 days or the allowed maximum time that exceeds 30 days allowed by claimant. All warranty claims must be presented to Dream Lighting within a reasonable time period of 90 days from point of service. If claims are not received within the allotted time, they will not be honored. All claims are subject to agreed upon terms and conditions between Dream Lighting and the Original buyer. This includes mark-ups, labor fees, and freight charges. No additional fees will be credited to the claimant.

Since Dream Lighting does not require all products to be returned to us and accepts picture submissions of the front and back of our product, Dream Lighting agrees only to pay UPS Ground shipping fees from OEM to dealer or servicer of the unit provided the product installed is within our warranty terms. A copy of the shipping document must be submitted with the claims to ensure proper payment of shipping fees assessed to Dream Lighting. If the cost of the shipping fee is less than \$20.00 USD, no documentation is required. If a claim is submitted with shipping fees beyond \$20.00 with no documentation, and documentation is requested and not submitted, Dream Lighting retains the right to reduce the shipping fee to \$20.00 for that claim.

Should Dream Lighting require the product to be returned, for example if there are 5 or more lights within a single unit, that are being processed as warranty, we agree to provide a call tag to retrieve the lighting. We would require box size, and weight as well as the address we are sending a call tag. Claims will not be approved until the product is returned and tested. If a product proves to be within working order, we will send a denial of the claim to the claimant and return working lights to OEM department specified on the claim.

Dream lighting reserves the right to deny any claim if insufficient evidence has not been provided in the initial claim, or request for additional information or photos is not provided. Clear evidence that it is a dream lighting light must be provided in order to receive for credit.
