SECTION 2—THE BRINKLEY RV ONE (1) YEAR LIMITED BASE WARRANTY

Brinkley RV provides you with two types of Limited Warranties with the purchase of your recreational vehicle (the “RV”) (see Section 4 for Component Manufacturer additional warranties). These Limited Warranties outline what Brinkley RV will cover and what we will do if a defect exists. Please read these documents closely before you purchase the RV so that you understand your warranty protections. The two (2) Limited Warranties that Brinkley RV provides are as follows:

- (1) A One (1) Year Limited Base Warranty; and
- (2) A Three (3) Year Limited Structural and Seals Warranty.

These two (2) warranties are contained within Sections 2 and Section 3 immediately below.

2.1—What Does This Limited Warranty Cover?

Brinkley RV, LLC (“Brinkley RV”) provides a One (1) Year (“Warranty Period”) Limited Base Warranty against certain defects in materials and/or workmanship for the RV that may arise from normal use and service to the Retail Consumer Owner (“Owner”) throughout the duration of the Warranty Period for the RV. It does not cover parts that are not made or manufactured by Brinkley RV. In addition to the foregoing and the other limitations and restrictions outlined in this document, this Limited Base Warranty only covers an RV sold by an Authorized Brinkley RV Dealer to the original retail Owner or its assigned/transferred retail Owner.

TRANSFER OF THIS WARRANTY CAN ONLY OCCUR WHEN THE REGISTRATION INFORMATION IS UPDATED AND WILL REMAIN LIMITED TO THE WARRANTY PERIOD PROVIDED TO THE ORIGINAL OWNER AND TO THE PRIMARY ONE (1) YEAR LIMITED WARRANTY.

The Warranty Period starts immediately upon purchase.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY FOR ALL DEFECTS OF MATERIAL AND WORKMANSHIP. THIS WARRANTY IS IN LIEU OF ANY AND ALL OTHER EXPRESSED OR IMPLIED WARRANTIES. THERE ARE NO OTHER EXPRESSED OR IMPLIED WARRANTIES BEYOND THOSE SET FORTH HEREIN. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. IN ADDITION TO THE EXCLUSIONS SET FORTH IN THIS LIMITED WARRANTY, THIS WARRANTY DOES NOT APPLY TO DAMAGE DUE TO NEGLIGENT, USE, MISUSE, ABUSE, OR ACCIDENT INVOLVING ANY PART AND/OR ALL OF THE RV, OR THE REPAIR/ALTERATION OF SUCH RV. 2.2—What Type of Things Are Excluded from the Warranty?

THIS WARRANTY DOES NOT COVER:

1. Defects in any items or labor that are covered by a separate warranty from the original component manufacturer of any part that is utilized by Brinkley RV in manufacturing the RV (See Section 4 below).

2. Defects in any component parts, including labor, due to the aftermarket modification or additions made to the RV which are not considered original to the RV or which were not manufactured by Brinkley RV.

These warranties will become activated once the RV is registered. To receive direct notification and communication from the component manufacturer, it is recommended for the individual component registrations be completed and returned to the component manufacturer. These forms and documents will be located with the Owner’s Materials provided with your new RV. You must complete and submit them to the respective manufacturer as quickly as possible and within the time periods required by those warranties.

ALPHA SYSTEMS MEMBRANE LIMITED TWENTY-YEAR WARRANTY

RUBBER ROOF MEMBRANE

- 1. Warranty.** This Limited Warranty from Alpha Systems LLC (“Alpha”) applies solely to the original retail purchaser of a finished product (“Product”) that includes a roof membrane supplied by Alpha (the “Alpha Roof Membrane”). Alpha warrants to the original retail purchaser (the “Purchaser”) that for a period of twenty (20) years from the original purchase date of the Product, the Alpha Roof Membrane shall be free from defects in materials that cause the Alpha Roof Membrane to degrade, deteriorate, or dry rot. This Limited Warranty is non-transferable. The Limited Warranty is a performance-based warranty and does not cover the appearance of the Alpha Roof Membrane. Alpha is a supplier to the RV Industry and does not install the roof membrane.
- 2. Coverages.** This Limited Warranty constitutes the exclusive remedy against Alpha for all defects of the Alpha Roof Membrane. The exclusive remedies available to Purchaser shall be at Alpha’s sole and absolute discretion, to provide either: (i) material for the replacement of the defective portion of the Alpha Roof Membrane; or (ii) a credit to Purchaser toward the purchase of a new Alpha Roof Membrane equal to the estimated material cost to repair the defective Alpha Roof Membrane.

For twenty (20) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of the cost of materials on an approved claim. Alpha Systems does not install the Roof Membrane and is not responsible for any problems relating directly or indirectly from the installation of the Roof Membrane.

With respect to the cost of labor, for the first two (2) years from the date of purchase, this Limited Warranty will cover one hundred percent (100%) of labor costs on an approved claim. Alpha must approve the application to be used and Alpha Systems will pay a maximum rate of .8 hours per lineal foot of coach. Alpha will not pay for any removal or installation of any non-Alpha accessories including all underlayments, vents, skylights, antenna, etc. Costs will be reduced on a pro rata basis beginning with the third year and continuing until five years from the date of purchase. For any approved claim made during Year 3, this Limited Warranty will cover sixty percent (60%) of the cost of labor. After Year 3, there shall be a pro rata reduction of this Limited Warranty’s coverage for the cost of labor as follows: Coverage for Year 4- 40%; Year 5- 20%. Any claim made after five years from the date of purchase shall not include the cost of labor.

- 3. Purchaser’s Obligations.** Purchaser is responsible for inspecting the Alpha Roof Membrane at the time of delivery. The Purchaser is responsible for the normal maintenance and care of the Alpha Roof Membrane. The Purchaser should read and follow all care and maintenance instructions for the cleaning and maintenance of the Alpha Roof Membrane. Purchaser should conduct at least quarterly inspections of the Alpha Roof Membrane.
- 4. Claim Procedure.** Within thirty (30) days after discovering a purported defect in the Alpha Roof Membrane, the Purchaser must deliver written notice of the purported defect to Alpha Systems LLC, 5120 Beck Drive, Elkhart, Indiana 46516. Purchaser may also email Alpha Systems at warranty@alphallc.us. The notice from Purchaser must include a description of the defect, the name of the manufacturer, type of unit purchased, original date of purchase, Vehicle Identification Number (VIN), color photographs of the defect(s) in the Alpha Roof Membrane (including an overall view of the roof), and a copy of the original sales receipt. Failure to provide such notice to Alpha within (30) days after discovery of a purported defect will delay any warranty claim.
Purchaser must notify Alpha of any problems believed to require warranty service. Upon receipt of such notice, an Alpha representative will investigate the claim with the supplied information and/or request to have the unit brought to

Alpha or one of its representatives within a reasonable time after receiving Purchaser's written notice. Alpha will arrange for repair or replacement of the defective part(s) of the Alpha Roof Membrane pursuant to the terms of this Limited Warranty. Any roof work performed on the Alpha Roof Membrane prior to receiving Alpha's written authorization WILL VOID THIS LIMITED WARRANTY.

- 5. Exclusions from Warranty Coverage.** This warranty does not cover (a) adhesives, solvents, or butyl tapes used to install the Alpha Roof Membrane; (b) materials that are not components of the Alpha Roof Membrane such as caulking or other materials used for the installation of the Alpha Roof Membrane; and (c) care, cleaning, or general maintenance to the Alpha Roof Membrane.

Sealants and other roof-related items are not included in this limited Warranty. This warranty shall be void if any component in the Alpha Roof Membrane is not an Alpha product. Alpha shall not be responsible for the cleanliness, discoloration, chalking, or streaking caused by environmental conditions nor contamination by pollutants (oxidation) and presence of the same does not constitute a defect in or to the Alpha Roof Membrane.

This Limited Warranty excludes liability for defects in or damages to an Alpha Roof Membrane caused directly or indirectly by any of the following:

Should Dream Lighting require the product to be returned, for example if there are 5 or more lights within a single unit, that are being processed as warranty, we agree to provide a call tag to retrieve the lighting. We would require box size, and weight as well as the address we are sending a call tag. Claims will not be approved until the product is returned and tested. If a product proves to be within working order, we will send a denial of the claim to the claimant and return working lights to OEM department specified on the claim.

If the original product is no longer available Richloom will provide replacement product in the same price range. This limited warranty does not include other costs that may be associated with replacement of the fabric, including labor and installation.

The application of any chemical treatments, including treatments purchased at the retail level, by a third party other than Richloom voids this limited warranty.

The provisions of the foregoing limited warranty shall be Richloom Tough product purchasers’ sole and exclusive remedy with respect to the Richloom Tough products purchased. No decision by Richloom to honor claims or provide any remedy exceeding or outside of the foregoing limited warranty in any instance shall constitute a waiver of any provision of the foregoing warranty with respect to any other instance or establish a course of dealing between the parties that would vary any provision of the foregoing limited warranty.

SCI will, at its option, repair or replace any SCI-installed mechanism that fails to operate properly at any time during the twelve (12) month warranty period.

Exceptions

Any product failure which is, in whole or in part, caused by faulty installation (if not installed by manufacturer), casualty, collision, foreign body impact, exposure to extreme heat or flame, abuse, misuse or destructive acts of nature, shall not be covered by this Warranty. Discoloration, staining, fading, chalking, surface cracking and surface defects caused by use and ordinary wear and tear are not covered by this Warranty.

VIXEN LIMITED WARRANTY

VIXEN FRP LIMITED WARRANTY

FIBER GLASS

Fibrosan® GRP Inc. a division of the Yücel Group is the manufacturer of FRP Panels sold by Vixen Composites, an authorized agent, and offers a two-year warranty on the FRP Panel to the original purchaser if correctly laminated and maintained subject to the conditions below. All aspects of this warranty will be administered by Vixen Composites, Inc.

Fibrosan® warrants to the original owner and subject to the conditions mentioned below, that this product will remain free of exposed fibers and will not rust, rot, corrode, or require painting or refinishing (with the exception of normal pigmentation change caused by UV or sunlight degradation) for a period of two years from the original date of retail purchase or three years from the date of panel manufacture or 20,000 miles if motorized. Fibrosan® liability is limited to reasonable labor and parts for replacement of the product, repair of the product or the replacement of the product with reconditioned product at the discretion of Fibrosan® or its authorized agents. For the purposes of this warranty, parts are defined strictly as either the materials necessary to repair the panel finish or, in case of replacement the actual product itself. Vehicles purchased specifically for rental or lease will be covered for one-year from the date of first retail sale or 10,000 miles.

USE WITHIN THESE GUIDELINES TO BE WARRANTABLE

Fibrosan® recommends that the moisture content of lauan substrate be not greater than 12% at the time of lamination and that the glue coverage between the Fibrosan® panel and substrate be 100% coverage at the weight and thickness recommended by the adhesive manufacturer. Prior to the lamination the FRP panel must be free of dust moisture or particulates prior to lamination. Fibrosan® will not be responsible for any loss resulting from sub-standard lamination processes.

Fibrosan® limits the use of substrates to lauan plywood and approved synthetic alternatives. The use of any substrates not approved by Fibrosan® will void this warranty.

This warranty is void if the product has been damaged by accident, unreasonable use, neglect, tampering or other causes not rising from defects in materials and workmanship.

This warranty extends to the original owner but does not cover the following:

- a. Damage to the panel caused by vandalism, accident, or misuse, including direct impact to the panel or scoring or the panel which impairs the surface integrity.
- b. Premature discoloration or fiber exposure caused by the lack of care and maintenance recommended by Fibrosan®.
- c. Delamination between the product and substrate.
- d. Normal fading and discoloration caused by UV and chemical atmospheric conditions that are expected during the warranty period.
- e. Exposure to harmful chemicals or discoloration caused by glues, sealants, cleaner/polish, trim, or other products installed on or near the product.
- f. Failure of the gel-coat surface due to the use of improper cleaning agents.
- g. Any cracking of the panel finishes through either improper product installation or product field performance when the application exceeded Fibrosan® minimum bend radius recommendation or other Fibrosan® application recommendations.
- h. Partial or full-body paint (application of paint will void this warranty) unless application has been pre-approved by Vixen Composites™.

- i. Delamination between FRP Panel and substrate.
- j. Non-original recreation vehicle manufacturer installed parts.
- k. Surface blistering caused by water intrusion through the backside of the panel.
- l. Ant-trailing or worming caused by voids or gaps in lamination/ glue application or process.
- m. Failure of the panel due to flaws in the vehicle frame or abnormal use of the vehicle subjecting the panel to excessive wear and tear.
- n. Failure to follow Fibrosan® and Vixen Composites™ instructions or recommendations on use and installation or acts of God.
- o. Fibrosan® and Vixen Composites™ do not assume responsibility for any loss of use of vehicle, loss of time, inconvenience, expense of gasoline, telephone, travel, lodging, loss or damage of personal property or revenues. Some states do not allow the exclusion or limitation of inconsequential damages so the above may not apply to you.

Pre-approval from Vixen Composites™ is required on all warranty claims before any repairs can be performed. It is the responsibility of the retail owner to collect and maintain the following information which will be required on all warranty claims:

- a. Model and VIN number of unit
- b. Date of Production
- c. Proof of purchase date (Bill of Sale)
- d. Location of unit
- e. Owner Name
- f. Owner Phone Number
- g. Owner Email
- h. Color photos of issue
- i. Detailed description of issue
- j. Repair estimate

Once the above information is received and approved, Vixen Composites will provide an authorization number for the unit. The authorization number must appear on all repair billing.

This warranty is the exclusive remedy against Fibrosan® and no other remedy shall be available. THIS WARRANTY IS IN LIEU OF ANY OTHER WARRANTY AND/OR PREVIOUS WARRANTY, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Any representation or promises inconsistent with, or in addition to this warranty, are unauthorized and shall not be binding upon Fibrosan®.

To obtain service you should telephone Vixen Composites™ customer service representative at 574-970-1224 between the hours of 8:00am to 5:00pm EST Monday through Friday.

All specifications are based on the latest information at the time of publication. Vixen Composites assumes no responsibility for any error in type or print reproduction in this document. VOMELA COMPANIES LIMITED WARRANTY

VOMELA COMPANIES LIMITED WARRANTY

DECALS

This letter is in response to your request for a written warranty statement from Vomela. Since we are a converter of 3M product, the strength of the warranty we can offer must be backed by the manufacturer of the raw material. 3M's warranty statement for the RV market is attached.

In practice, we have had tremendous support from 3M on warranty-related issues. However, 3M will only handle cases on an individual basis and when they have been given the opportunity to ascertain that the failure is truly a raw material failure. A true raw material failure will not be exhibited just on individual decals but will likely affect all film made in a certain product run. If there are multiple colors involved in a problem, most often there is an issue with substrate or application, since the films would come from different lots made in different time frames.

Vomela's warranty is part of our standard terms and conditions and stated as follows:

Seller relies on the warranty of its suppliers and manufacturers of material used in its printing and production processes (the "Materials Warranties"). The Materials Warranties generally provide that the materials are free of defect at the time of shipment from the manufacturer. Seller shall pass through any and all available Materials Warranties from the manufacturer and shall not perform or fail to perform any act that would impair or void such Materials Warranties. Seller warrants that the products it produces are new, of merchantable quality and free from defects in workmanship under normal use for the shorter of a one-year period from the time of manufacture or the period warranted by the manufacturer of the materials used in the product (the "Manufacturer Warranty"). The Manufacturer Warranty shall only be applicable if Seller is given prompt written notice specifying the nature of the warranty claim within the applicable warranty term. Each product for which a Manufacturer Warranty claim is asserted must be returned by the customer, postage prepaid, to Seller at the following address: Vomela Specialty Company, 274 East Fillmore Avenue, St. Paul, MN 55107. Upon confirmation by Seller of a Manufacturer Warranty breach, the exclusive remedy to Buyer shall be for Seller, at its option, to replace the defective product or issue credit to Buyer for the defective product. If credit is issued, it shall not exceed the full purchase price paid by Buyer to Seller for the product. The Manufacturer Warranty does not extend to any product subjected to misuse, accident or alteration. Seller shall pay shipping charges for the return of replaced defective products covered by the Manufacturer Warranty. Replaced products shall be warranted for an additional 30 days or for the duration of the original warranty term, whichever is longer. Procedures relating to assertion of a claim under a Materials Warranty shall be as specified by the suppliers and manufacturers of those materials.

OTHER THAN A PASS-THROUGH OF THE MATERIALS WARRANTIES, THE MANUFACTURER WARRANTY IS THE ONLY WARRANTY SELLER MAKES FOR ITS PRODUCTS. EXCEPT AS INDICATED ABOVE, SELLER MAKES NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

No person (including any product agent, dealer or representative of Seller) is authorized to make any representation or warranty on behalf of Seller concerning the products except to refer purchasers to this warranty.

Seller shall under no circumstances be liable for special, incidental, consequential or exemplary damages of any nature whatsoever, however occasioned (whether by negligence or otherwise), including, but not limited to, commercial loss from any cause, business interruption of any nature or loss of profits, even if Seller shall have been advised of the possibility of such damages.

As a fabricator of 3M's product, defects in our workmanship would be evident at the time of application when replacement of material would likely be an acceptable solution. Problems in the field would more often be raw material or application problems, so we would look to 3M for resolution of justified complaints. (Content from the vendor letter – necessary to include?).

If you have any additional questions after reviewing this, please contact Vomela at 574-522-6016.

VICTRON ENERGY LIMITED WARRANTY

VICTRON ENERGY LIMITED WARRANTY

Direct Customers

Victron Energy provides the following warranty to any direct customer (OEM, distributor or dealer) in relation to any products that Victron Energy has directly sold to the direct customer. This warranty is not an end-user warranty between Victron Energy and an end-user, and end-users shall not have any rights or remedies under this limited warranty towards Victron Energy directly. The direct customer shall, in turn, ensure that the end-user is provided with a warranty identical to this warranty, subject to applicable local mandatory law.

End-Users

Victron Energy may also provide a warranty directly to end-users, in which case the below warranty conditions equally apply to such warranty. In that case, end-users shall claim their warranty at their place of purchase or through the original direct customer of Victron, which can be found through the support section on Victron's website (<https://www.victronenergy.com/support>). Hence, the direct customer shall on behalf of Victron Energy deal with any warranty claims made under any warranty that Victron Energy may provide directly to end-users. This support section on Victron's website (<https://www.victronenergy.com/support>) will provide further guidance on the procedure for end-users to make a claim under this limited warranty.

If the end-user is a consumer – a natural person who is acting for purposes which are outside that person's trade, business, craft or profession – the following applies. The rights and remedies granted to the consumer under this limited warranty are without prejudice to the consumer's statutory rights. Furthermore, the consumer is entitled by law to remedies from the seller free of charge in the event of a lack of conformity of the goods (such as repair, replacement, price reduction or rescission), which remedies are not affected by this limited warranty.

Warranty

Victron Energy warrants its products to be free from defects in workmanship and materials for a period of 5 years from the date of purchase by the original end-user, with a maximum of 66 months from the Victron Energy invoice date. Exceptions on this are: lead-acid batteries: 2 years from date of purchase by the original end-user, with a maximum of 30 months from the Victron Energy invoice date, Lithium batteries: 3 years from date of purchase by the original end-user, with a maximum of 42 months from the Victron Energy invoice date. In addition to this, proof of correct battery usage is required when making a battery warranty claim.

For a 10% surcharge on the current net price for products that came with a 5-year warranty, an additional 5 years of warranty can be purchased by Victron's direct customers, bringing the total warranty to 10 years. Warranty extensions need to be applied for ultimately one year before the expiration of the original term. Victron may ask proof that the product was still functional at the time of purchase of the extended warranty.

During the warranty period, Victron Energy will, at its discretion, repair, replace or (partly) credit the defective product free of charge. The warranty does not include performing or reimbursing de-installation, transportation, and re-installation. This warranty will be considered void if the unit has suffered any physical damage or alteration, either internally or externally, and does not cover damages arising from improper use like:

- Reversed battery polarity.
- Inadequate connection.
- Mechanical shock or deformation.
- Contact with liquid or oxidation by condensation.

- Use in an inappropriate environment (dust, corrosive vapor, humidity, high temperature, biological infestation, etc.).
- Breakage or damage due to lightning.
- Connection terminals and screws destroyed or other damages, like overheating, due to insufficient tightening.
- For any electronic breakage except due to lightning (reverse polarity, over-voltage due to external cause), the state of the internal control diode and/or the input/output X and Y capacitors determine the warranty.

This warranty will not apply where the product has been misused, neglected, improperly installed, or repaired by anyone other than Victron Energy or one of its authorized Repair Centers. In order to qualify for the warranty, the product must not be disassembled or modified.

This warranty and our warranty obligations thereunder (repair, replacement or credit) are the direct customer's and, if applicable, the end-user's sole rights and remedies and our sole obligations with respect to any defective and/or non-conforming product or breach of warranty and is subject to and without prejudice to the limitations of liability in this warranty. Victron Energy shall not be liable for damages, whether direct, incidental, special, or consequential, even caused by negligence or fault.

As a product requires service, it must be brought back to the place of purchase. In case no contact can be made with the merchant, or if he is either unable or not allowed to provide service, direct contact should be made with Victron Energy through the support section on Victron's website.

In case Victron Energy replaces a product, it will own the replaced product. Victron Energy owns all parts removed from repaired products. Victron Energy uses new or reconditioned parts made by various manufacturers when performing warranty repairs or building replacement products. If Victron Energy repairs or replaces a part of a product, its warranty term is not extended: the warranty will apply for the remaining term of the original warranty term. For example, if Victron Energy replaces a product with a 5-year warranty after 3 years, the warranty of this product will apply for another 2 years, with a minimum of 6 months.

All remedies and the measure for damages are limited to the above.

Victron Energy shall in no event be liable for consequential, incidental, contingent or special damages, even if having been advised of the probability of such damages.

The foregoing limited warranty provided by Victron Energy is in lieu of any other warranties, express or implied arising by law, course of dealing, course of performance, usage of trade or otherwise, of any kind whatsoever including, without limitation, warranties of merchantability or fitness for a particular purpose, with respect to any product.

The above is without prejudice to the arrangement for consumers detailed above.

Life Support Policy

As a general policy, Victron Energy does not recommend the use of any of its products in life support applications where failure or malfunction of Victron Energy's product can be reasonably expected to cause the failure of the life support device or to significantly affect its safety or effectiveness. Victron Energy does not recommend the use of any of its products in direct patient care. Victron Energy will not knowingly sell its products for use in such applications unless it receives in writing assurances satisfactory to Victron Energy that the risks of injury or damage have been minimized, the customer assumes all such risks, and the liability of Victron Energy is adequately protected under the circumstances.

Warranty on repairs for products outside their warranty period

The warranty period on products that are outside their warranty period and have been repaired by Victron Energy or one of the Victron Energy Repair centers is six (6) months from delivery. The same applies to spare parts and circuit boards that have been supplied or repaired by Victron Energy.

Transport

It is the responsibility of the sender to sufficiently package these products. The transport must be organized in a way to avoid any damage, especially when a single unit or heavy unit is sent.

Severability

If a part of the terms and conditions of this warranty is held invalid, void or unenforceable due to any particular national or international legislation, it shall not affect other parts of the terms and conditions of this warranty.

Applicable law

This warranty is exclusively governed by the laws of the Netherlands, to the exclusion of the UN Convention on Contracts for the International Sale of Goods.
